## Dear Parents,

We are very excited to share our summer camp program with you. West End Sports Camp will provide your child with fun, friendship, and excitement, while providing you with peace of mind knowing that you're your child will be spending their glorious summer days in a safe, nurturing, and athletically based camp environment.

Located in the beautiful and secure setting of West End Tennis and Health Club in Torrance, **Camp West End's Mission is to introduce group participation in Tennis with professional tennis instruction provided from our tennis pros four days a week. West End offers other activities such as basketball, volleyball, racquetball, swimming, field games and much more.**

Your child's safety is always our staff's first priority. We've designed our program to have a minimum of one counselor to every eight campers; and for pool safety, lifeguards are on duty.

Give Camp West End the opportunity to share the summer with your child and we will give the chance to utilize our state-of-the-art facilities in a country club atmosphere.

Our counselors are committed to their responsibility in positive role modeling and encouraging excellent sportsmanship.

We want your child to camp with us. Space is limited. Complete and return the registration form TODAY! We look forward to meeting you and providing your child with an experience they will never forget!
